ABOUT ME

I'm passionate about using code and data to build and create memorable experiences. Nothing compares to the feeling of creating something from nothing, and making people's lives easier! Aside from Tech, I also enjoy listening to Live Music, playing Basketball with friends, and practising Jiu-Jitsu at Gracie Barra.

	Apollo GraphQL	Tailwind CSS

EDUCATION

| Sep 2011 — Jul 2016 | **Gunnersbury Catholic School** | London |

| Sep 2016 — Jul 2018 | **Gunnersbury Catholic School - Sixth Form** | London |

| Aug 2018 — Aug 2019 | **Business Management, University of Surrey** | Guildford, Surrey |

After my first year at University, having time to think about my future, I decided to leave due to various personal reasons. I strongly felt that my path towards a fulfilling career lied elsewhere. Fortunately, that path would lead to the beginning of my journey as a Software Engineer Apprentice at **Multiverse** & **Publicis Sapient**, only a few months later.

EXTRA-CURRICULAR ACTIVITIES

| Jul 2022 — Present | **Brazilian Jiu-Jitsu, Gracie Barra Fulham** | London |

| May 2022 — Present | **Fitness, Kiss Gym** | London |
